Rings of Australia - Where Elegance Meets Affordability

At Rings of Australia, we believe that finding your dream engagement ring should be exciting, affordable, and 100% stress-free. We specialise in crafting custom engagement rings with certified lab grown diamonds that offer the same sparkle, brilliance, and durability as mined diamonds but at a fraction of the price.

Whether you're looking for a timeless solitaire engagement ring, a glamorous halo setting, or a one-of-a-kind vintage engagement ring, we bring your dream ring to life designed just for you, delivered within 4 weeks, and backed by a lifetime warranty.

Our Collection: Handcrafted Elegance for Every Love Story

From bold and modern to delicate and classic, we offer an extensive range of:

- Diamond engagement rings
- Engagement rings for women
- Gold engagement rings yellow, rose, and white gold engagement rings
- Lab grown engagement rings & lab created diamond rings
- Unique engagement rings & custom-designed pieces
- Emerald cut engagement rings, oval engagement rings, and princess cut engagement rings
- Pear shaped engagement rings, 3 carat diamond rings, and 1 carat diamond rings
- Beautiful, alternative choices like the opal engagement ring

No matter your style, you'll find a piece you love or well custom-make it for you.

Affordable Luxury No Compromise

Tired of inflated prices? We offer cheap engagement rings that dont compromise on quality. Whether you're looking for a 2 carat diamond ring or a dainty princess cut diamond ring, you get premium craftsmanship without the premium price tag.

Why Choose Lab Grown Diamonds?

Our lab diamond engagement rings and lab made diamond rings are physically, chemically, and optically identical to mined diamonds. They are conflict-free, environmentally friendly, and cost up to 70% less.

Choose from our curated collection of lab grown diamond engagement rings, or let us help you design the perfect piece using lab created diamond rings tailored just for you.
